Direxion Suspends Creation Units for Daily Junior Gold Miners Index Bull 3X Shares

NEW YORK—April 13, 2017—Direxion announced today that effective immediately, daily creation orders in the Direxion Daily Junior Gold Miners Index Bull 3X Shares leveraged exchange traded fund (Ticker: JNUG) are temporarily suspended until further notice. The suspension is due to the limited availability of certain investments or financial instruments used to provide requisite exposure to the MVIS Global Junior Gold Miners Index. Redemption orders for the Fund will not be affected, and will continue to be accepted in the ordinary course of business.

Should demand exceed supply during the period that creation units are limited, the fund could trade at a premium to its net asset value (NAV). This suspension does not impact the ability of investors to trade shares of the fund on stock exchanges.
